

## NORTH STAR CHARTER SCHOOL JOB OPENING

**POSITION:** High School Science Teacher

**LOCATION:** Eagle, ID

**JOB TYPE:** 2025-2026 School Year, Part Time or Full-Time available, please indicate preference

**Job Description:** Our school is seeking a highly qualified and motivated individual to teach Science at the High School level. The ideal candidate will have a passion for teaching and a strong background in Science. This position requires excellent communication and organizational skills, as well as the ability to work effectively with students, parents, and colleagues.

### QUALIFICATIONS:

- Bachelor's degree in Science
- Teaching certification in Science related field
- Minimum of 5 years of teaching experience at the high school level (preferred)
- Strong knowledge of Science concepts and principles
- Ability to develop and implement effective lesson plans
- Excellent communication and interpersonal skills
- Ability to work collaboratively with colleagues, administrators, and parents
- Commitment to student success and achievement

### RESPONSIBILITIES:

- Teach Science courses at the high school level
- Develop and implement engaging and effective lesson plans that align with state and national standards
- Assess and evaluate student progress, providing feedback and support to ensure student success
- Create a safe and positive classroom environment that fosters learning and encourages student engagement
- Collaborate with other teachers, administrators, and parents to promote student success and achievement
- Participate in professional development opportunities to enhance teaching skills and stay current with industry trends and developments

If you are a passionate and dedicated teacher with a strong background in environmental science, we encourage you to apply for this exciting opportunity. Please submit your resume, cover letter, and a list of references for consideration.
